

Emergency Situations

When should I bring my pet to an emergency clinic?

- Poison ingestion - call Poison Hotlines below
 - <https://www.petpoisonhelpline.com> or call (855) 764-7661
 - <https://www.asPCA.org/pet-care/animal-poison-control> or call (888) 426-4435
- Foreign body ingestion (balls, sticks, cloths, strings, etc) with significant gagging and breathing problems
- Pale, blue, or white gums and mucus membranes
- Sudden back leg paralysis (common in Dachshunds, French bulldogs and Senior big dogs)
- Open mouth breathing with breathing difficulty in cats
- 48hrs-72hrs of inappetence in cats
- Consistent bleeding or hemorrhage from any body orifice
- Foxtail trapped in your pet's nose, mouth, ears
